Dear researcher,

Safety Day registration is now closed. You are still required to attend the event, but there are sessions that are no longer available. You may choose from additional sessions, listed below, but may not participate in closed sessions. You do not need to register online for the below sessions and lack of online registration will not affect your recorded attendance. Please attend breakout sessions of interest to you and swipe your ID card at each session and your attendance will be recorded.

Opening Session 1:15-2:30pm
Beckman Auditorium
