DIVISION OF CHEMISTRY & CHEMICAL ENGINEERING

Candidacy Committee Recommendation form

Consult with your advisor and list three faculty as possible “in-field” members and three faculty as possible “out-of-field” members appropriate for your Candidacy Committee.

The Chemistry Graduate Study Committee will select from your list one in-field member and one out-of-field member with the criteria of spreading the Candidacy Committee responsibilities equally amongst the division and yet satisfying your advisor’s recommendations.

Graduate Student: _____

As the advisor of the above student, I recommend that the following three faculty members (listed in order of preference) be considered for the in-field member of the Candidacy Committee:

1. _____
2. _____
3. _____

I also recommend that the following three faculty members (listed in order of preference) be considered for the out-of-field member of the Candidacy Committee:

1. _____
2. _____
3. _____

Additional faculty members of the Candidacy Committee, e.g., faculty from other options:

4 member (specify in or out-of-field) _____

5 member (specify in or out-of-field) _____

Date: _____

Faculty Signature: _____
